## **4** RESHAPE YOUR CHIN

Fillers can create shape in the hands of a doctor with the right vision. They can round out a pointy chin or add volume to a slightly receding one. 'The right size and shape of chin is often the key to achieving a balanced, attractive face,' says plastic surgeon Laurence Kirwan.

**How long will it last?** Up to two years.

**When is it available?** Available now from some specialist practitioners.

For more details, go to [www.drkirwan.com](http://www.drkirwan.com) or call 020 7935 8844. Or see [www.restylane.co.uk](http://www.restylane.co.uk).

**How much?** From £400.
